*Copy of letter.

This hospital has been trying to obtain an upto-date operation table since 1938 and the lowest quotation of Messrs: Allibhoy Vallijee & Sons Multan was accepted but they failed to deliver the table during 1938-39 and 1947-48.

The representative of Messrs:Victor X-Ray Corporation (India) Ltd. Bangalore City saw me in February 1948 and said that an operation table manufactured by the American Sterilizer Co., of U.S.A. and quoted Rs.2,500/-. As this is readily available for delivery, I have placed an order for immediate supply. It is very doubtful when and where an upto-date table would be available. As I have already stated in my letter No.1833/48,dated 16-3-48 that I have been doing a lot of surgery here, and the present table is not helpful to me and the same was the grievance of Col.Sewell who attempted twice to change the table in vain. Hence I request the Surgeon-General to approve my action in having already placed an order for the table in anticipation of Surgeon-General's kind sanction. Please accord early sanction.
